About REVL Training

REVL Training was founded in 2020 with a mission to revolutionise the fitness industry through performance-based, group training. Co-founders Ben Woolford and Josh Mildren combined their passions and experience to launch REVL, a network of premium boutique gyms. The aim is to provide scientifically backed programming, top-notch coaching, and a supportive team environment for members to achieve long-term fitness goals.

REVL's market success led to rapid growth, doubling its unit count annually and expanding into the United Arab Emirates and Singapore in its first two years of operation. With 35+ studios globally throughout Australia, Dubai, Singapore, Indonesia and Korea, REVL is looking at new markets like New Zealand, the United States, and the United Kingdom for expansion. The brand's exceptional offerings have solidified its position as a global leader in premium group fitness experiences.
